

Better Conversations

Introduction to Better Conversations Pilot

Feedback Session

Thinking about the entire Introduction to Better Conversations course please be prepared to give us feedback on some or any of these areas:

- What went well?
- What didn't go or work so well for you?
- Something we could do better?

Curriculum (Relevance, Applicability, Usefulness)

Learning experience (Clarity, Engagement, Interaction with other participants, Time to practice, Handouts, Fieldwork)

Delivery and facilitation (Zoom platform, facilitation, flipcharts, explanations, use of the chat, breakout room activities)

Time (Pace of delivery, Length of each module, Frequency of the modules, To practice)

Emails/contact (Quantity, Frequency, Timing in relation to before and after each module, Content, Readability, Links to handouts)

Credibility of Amphora Solutions Team (Trustworthiness, Reliability, Professional)

This section will help inform us on how to take this course forwards:

- How would you describe this course?
- In your workplace (if applicable) - do you think others would benefit from attending this course?
- If yes, what would budget holders need to approve it?
- What would be a good price for this course?

Finally

- Any other feedback or suggestions you'd like to offer?
- Anything you'd have liked more or less of?
